Courtesy notice of dishonor by no reply to Affidavit of Life and Moral and conscious tort - Plågan på samvete och moral and issue of public record

Dear Sir/Madam

You are hereby informed, that you did not reply to the “Moral and conscious tort” and “Affidavit of Life”, which you received by registered mail tracking number RR214517682SE on 2013-07-02 10:25.

I received return letter from Ministry of Foreign Affairs asking me to notarize the document. Notarizing document(s) in your legal system as your citizen with citizen's ID would look a bit strange, if one acts as a sovereign man. Wouldn't it?

Regarding these documents... If you do not either:

- accept and consider them as / put them in the public record or
- instruct me how to put them into the public record without the corporate issued ID ...

and confirm this fact in writing to me, these documents will be published for public record in a newspaper for a week. I prefer avoiding extensive publicity, if possible.

You are hereby given another chance to reply, if you wish, in the coming 8 days. If you choose not to reply we will accept this as your final answer, resulting in the “Affidavit of Life” as un rebutted truth and we will seek remedy regarding the “Moral and conscious tort” elsewhere.

If you did reply, accept my deep apology and please fax me a copy of your reply.

With respect, best regards

marko of injac

Exhibit A: Corpus Juris Secundum

Section 16, Page 892:

FACT OF DEATH: Death of the person on whose estate administration is sought is a jurisdiction requisite; and while the presumption of death arising from absence may present a prima facie case sufficient to warrant a grant of administration, yet if it subsequently develops that such person was in fact alive, the administration is **void**.

While it is true that the presumption of death arising from a person's absence, unheard from, for a considerable length of time, see "Death Section 6", may present a prima facie case sufficient to warrant a grant of administration on his estate, the arising of such presumption does not take the case out of the operation of the general rule on the subject, and if it is made to appear that the person was in fact alive at the time such administration was granted, the administration is absolutely void. Although, that payment to an administrator of an absentee who is not in fact dead is no defense against the absentee or his legal representative, nor are costs and disbursement incurred by such administrator a legal charge against the absentee or his property; but where the administrator has paid debts of the absentee, he is subrogated to the rights of the creditors whom he has paid. It has been considered, however, that the invalidity of the administration does not relate back, but that it is invalid only the time when the presumption of death is rebutted.

Moral and conscious tort - Plågan på samvete och moral

Dear Sir/Madam

The following is a list of *prima facie evidence* of Crimes against Humanity that the corporation of The Kingdom of Sweden has not ever known to us voiced any protest or resistance to, and so became an accomplice to the crimes. This makes us implicitly responsible for our "Alliance with the unrighteous king/your compact" forcing us to this remedy.

2. Similar admissions for US market, making it obviously certain for all global markets

3. De facto slavery of all parties in global commerce on all levels (from countries to individuals), to global organized crime syndicate of private bankers. Pleadings of many university professors never shown on the banker owned and State controlled TV Channels.

8. Government controlled Media, and "Education" System doing its best to silence any real news sources, taking the responsibility for creation of social environment supporting all the above crimes. Examples stated in the link

... and many many more.

We have no intent to interfere with the internal political issues of your compact and your business and as a matter of fact never had publicly interfered.

You are welcome to rebut any of the above in point and detail and prove by your action in real time that all unrebutted above is being corrected and acted upon in 21 days. After this period, to avoid our implicit responsibility for our "Alliance with the unrighteous king/your compact", we obviously have no other option than to leave your compact in peace and form a new one – our own compact.

With respect, receive our best regards
